

## SOFTWARE ACCESS FOR STUDENTS & FACULTY

### RHINO

Students and faculty will all receive an invitation to join our ArchTech Team. Once accepted, you will be able to download and license Rhino on your personal computer. Due to limited seats, we strongly urge everyone to regulate their use of the software:

- **Monday – Friday**  
8:30 AM to 6:00 PM: Only students and faculty that require Rhino for class.  
6:00 PM to 8:30 AM: First come, first serve. Unrestricted use of Rhino by anyone at any time.
- **Saturday & Sunday**  
ALL DAY: First come, first serve. Unrestricted use of Rhino by anyone at any time.
- Please remember to close the Rhino application when not in use. This will release the license back into the pool for others to use.

If our cloud seats become full, try launching Rhino later or consider the following to obtain a license:

- Download the 90-day trial.
- Purchase Rhino for \$195 as a student: <https://www.rhino3d.com/store?audience=Educational>  
(you may also return the copy within 6 months, if no longer needed)

If you have not received an invitation, please contact IT using our form [here](#).
